

# SINA-100

## Electrocardiograph

ECG Machine

Simultaneous display of 12 channels of heart signal with high quality on LCD screen

Print of ECG signal in three mood: 1, 3 and 6 channels

Optional Long Lead print

Auto and manual recording mood

Very easy to use, lightweight and portable

Internal battery for 8 hours work time continuously without connection to plug power

Internal memory for storing 150 patients ECG signal

Reprint ability of the last record

Anti-noise technology, to ensure the stabilization of the baseline and reduce the impact of electrical noise

Connect PC ability via USB port for ECG signal analysis and simultaneous printing of 12 channel signal on A4 paper heart

Circuit protection against electrical shock

CE 2195,

Iran Medical Device Certificate – IRAN MOH.M.E.D

ISO 13458:2003, 2012,

IEC 60601-1:2005,

IEC 60601-1-2:2007,

IEC 62304:2006,

**100% SATISFACTION GUARANTEE**

Five years warranty and ten years after sales services and parts supply by AVECINNA Company

# AST-3000

## Stress Test System

### Exercise Test System

Wired & Wireless ECG signal control system with Tech environmental protection against noise

Display and printing of 12 ch on A4 paper

Anti-noise technology, to ensure the stabilization of the baseline and reduce the impact of electrical noise

Stress ECG unit for heart signal analyze, eliminate of city noise and muscle vibration noise

ECG signals display with very high quality and very low noise even at running time of patient on a treadmill

CE 2195,

Iran Medical Device Certificate – IRAN MOH.M.E.D

ISO 13458:2003, 2012,

IEC 60601-1:2005,

IEC 60601-1-2:2007,

IEC 62304:2006,

Record and save ability of all data and ECG signal

Treadmill with 6 Hp/ AC power motor & 200 Kg Load capacity of weight

Full option software with win 7, 10

Patient records managing, searching, modify, delete and...

High accuracy in detection of QRS wave

Connection ability to Stress NIBP

Record and magnify of ECG signal and list of made ST depression

### 100% SATISFACTION GUARANTEE

One year warranty and

ten years after sales services and parts supply by AVECINNA Company

Five years warranty for treadmill motors of stress test system
